Assistant Commissioner for Patents  
Washington, D.C. 20231

May 14, 2001

Sir:

In response to the outstanding Office Action dated January  
12, 2001, please amend the above-referenced application as  
follows:

IN THE CLAIMS

Please amend the claims as follows:

11. (Twice Amended) An information transmission device  
for transmitting plural items of information via transmission  
media to a plurality of information destination devices, said  
information transmission device comprising:

storage means for storing said plural items of  
information, and plural sets of data for respective ones of  
said plural items of information, each one of said plural set
